**Political Crime Terror is Real <http://www.PCTerror.com>**

Few people understand the quad-trillions of USD/Euros/Pesos/Yuan/etc that are being systematically drained from the taxpayer funds to the Criminal Ruling Elite. Fewer people understand the actual dynamic methods used by those who control the Political law-making and law-breaking conducted by our own leadership at County, State, Federal levels of authority. Many are even high powered Judges, Lawyers, and ones who are paid to actually represent your civil, financial, ownership, and spiritual rights.

The answers to majority of our worlds real conflicts and issues are found on the clearinghouse website of <http://www.BuiltByKeith.com> that is the creative design for a new world, new age government and society were everyone but the true criminals, benefit with value by serving each other.

Join [UNITYurl.com](http://UNITYurl.com) today and start your own community of righteous citizens who empower themselves by Acting with Authority for the benefits of others. I truly have completed all these solutions using [www.SolutionFinal.com](http://www.SolutionFinal.com) as the easy to use 5 steps to solve any problem. For mankind's real issues have always been relationship issues on how to come into contractual agreement with each other in the ultimate win-win scenario. This would be for mankind to prevent it's own slave trading enterprises and resulting self-genocide that is about to occur unless the PRESS, GOVERNMENT, CHURCHES, and the public actually use what Keith Duncan and so many others have

gifted them. This is how to actually LOVE and CARE for each other by holding themselves and all others accountable.

**BidOnKeith.com** has been ready for massive Press Conferences and for the PRESS to use these solutions. Who is the FIRST and then the NEXT person to actually Act with Wisdom? That is truly all that has ever been required....

**www.SolutionURL.com** is the singular world-wide referential integrity database for citizens to monitor everyone in the world and pro-actively SHUN all criminals based on face recognition, their international ID, and the criminals own evidence supplied by their victims and peers.
